

Endelyn Moongrave

Endelyn Moongrave

Role: Hag of the Hourglass Coven — Ruler of Yon

Type: Green Hag

Description

Endelyn is the eldest and most theatrical of the three hags. She rules Yon, a mountainous realm of storms and lightning. She runs a macabre theater called the Yon Stage, where she forces her captives to perform in plays that predict the future.

Personality

- Dramatic and obsessed with fate and destiny
- Believes she can see the future through her performances
- The eldest and most powerful of the three sisters
- Coldly calculating

DM Notes

“Endelyn holds the final third of Zybilna's power. She is the most dangerous of the three hags in direct confrontation.”
